### 30th-31st of March 2022

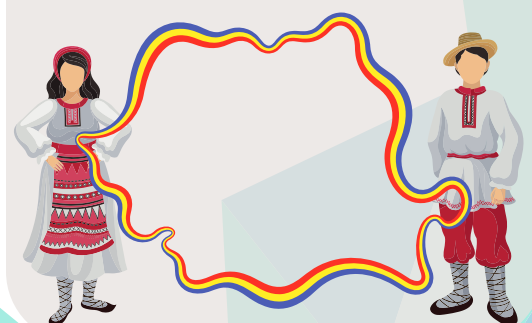

The one-and-a-half-day meeting, organized and hosted by DOM SPAIN, was carried out successfully in a hybrid manner, with all partners being actively involved in every point mentioned on the agenda. Apart from management and financial aspects, we interactively discussed the quality assessment, the dissemination strategy, and the results of the project. Responsibilities, deadlines, and future steps were established, and feedback was provided after each activity.
