# The 2nd Transnational Project Meeting

## Suceava, Romania

### 29th - 30th August 2022

The 2nd TPM took place on the 29th and 30th of August 2022 in Suceava, Romania. A two-day meeting was organized in a hybrid manner, with the face-to-face participation of the partners from DomSpain, Prizma Foundation, 36,6 Competence Centre, Institut Julio Antonio and Bucovina Institute, and online involvement of the partners from Eduko and IFPRA Normandie.

The time allocated allowed us to discuss in detail the next steps to be taken, the aspects that need to be improved, to make progress in terms of the project's results and clarify, and of course to enrich our knowledge from a cultural point of view. We took a walk in the city center, visited the Fortress (Cetatea de Scaun a Sucevei - Suceava Princely Fortress), the Museum (Muzeul Satului Bucovinean) and the Monastery (Mănăstirea Sfântul Ioan cel Nou - Suceava).

Where are we going next?

In Maribor, Slovenia!

# Let's get to know the partnership

**DomSpain** is a Training and Consulting Company active on a national and international level. It offers a variety of services to the public and private sector of Spain and actively participates in international schemes through a well-established network of partners abroad. The Training department develops educational programmes in the following directions:

- courses and workshops for adult learners, including foreign languages, ICT, cookery, dance and personal growth classes
- VET: ICT, foreign languages, employability, work-based learning
- trainings for educators focusing on improving foreign language competences, use of digital tools and new teaching methods, blended learning

Also, DomSpain provides guidance and support to entities such as educational centres, public bodies, social enterprises, and NGOs in digitalising of their internal working processes.

**IFPRA Normandie** is a department of the head-office of State Education in Normandy. It takes part in the definition and implementation of the education authority's policy in the field of vocational training together with related stakeholders.

Our organization enables public institutions, in ongoing vocational education and training to develop projects with EU funding under ESF, Interreg and Erasmus+ programs. The main expertise of IFPRA regards the conception of innovative educational resources and training tools, in a diversity of professional fields.

IFPRA is part of the GRETA network, whose training centres provide training for unemployed people, as well as employees in various trades. IFPRA is also a support institution in the field of European funding for vocational education and training schools in Normandy.
